Vicka accuses me of being a child molester over the phone after refusing me a call with Anouk. I accuse Anton after hearing Anouk in Anton's room with him suddenly begin crying while being given no video call, and being hung up on by Vicka immediately when she began crying

2020_02_01_15_38_24 antoN bed.m4a - Anouk and Ace are still saying they hate Anton, I am extremely disturbed, so I ask why. Anouk is obviously emotional and can be heard almost crying at 2:56. At 3:12 Anouk says Anton slapped her. 5:10 something "at me" 5:28 Anouk says "he shook my head" At 6:24 Anouk can be heard saying Anton gets into her bed "when Mommy's gone". Vicka already testified to Anton watching the children without her or Connie being present. December 19, 2019 I know for a fact Anton was watching the kids and they were very upset by it, but I did not press the matter after the fact.
